

STUDIO PALATIN

Charta Midi Lamp

Bisque porcelain lamp with a Japanese hand-laid Hosho paper shade.

Sculptures created of paper were the inspiration for this contemporary form. All parts are artisan made and hand crafted in collaboration with the Augarten Porcelain Manufactory in Vienna. The artist uses materials reflecting the glorious past of the 17th and 18th century for the contemporary design combining Art with Function.

Measurements

13.25"H base/24.5"H overall x 6.5"W x 5.25"W
